

Dog Off Leash Areas

Site Selection Factors

- Avoid interference with other established uses or department sponsored activities.
- Avoid directly abutting residences.
- Assure the availability of close parking.
- Avoid locating near children's play areas.
- Locate where there are minimal impacts upon the total visual character of a park.
- Locate where there is low potential for spillover into areas not designated for off leash use.
- Avoid sensitive environmental areas such as wildlife habitats and steep slopes.
